EDUCATION

University of Illinois at Urbana-Champaign
Bachelor of Science in Statistics and Computer Science

Expected: May 2018
GPA: 3.53

EXPERIENCE

Soundia – Cupertino, CA July 2015 - Now

- ◆ Created a mobile application with two peers that allows users to stream a song through multiple phones to create a surround sound environment.
- ◆ Pitched the product to a large audience at AngelHack Silicon Valley 2015, and placed in the top six teams, out of over sixty teams.
- ◆ Designed artwork using GIMP and Sketch.
- ◆ Currently, creating a User Interface System for Soundia using Unity.

Orientation Leader – University of Illinois at Urbana-Champaign August 2015

- ◆ Led a group of new international students for four days to acclimate them to the University of Illinois.
- ◆ Developed as a leader and facilitator, through ice-breaker team building games and presentations on various services on campus.

Finance Team Member at IIP – University of Illinois at Urbana-Champaign January - May 2015

- ◆ IIP stands for Innovation Immersion Program; it is a consulting group on campus at the University of Illinois.
- ◆ Worked with the Financial Team to raise funds for IIP Projects. Research done includes understanding UIUC's SORF Funding for organizations on campus. Also, researched other mediums of funding, such as online fundraisers.

Software Intern at Bleacher Report – San Francisco, CA June - August 2014

- ◆ Developed a Google Chrome Application to display stories of different sports feeds in real-time, using HTML, CSS, Javascript and JQuery.
- ◆ Set up a Raspberry Pi mini-computer to display analytics on TVs.

Summer Intern at Open Networking Lab – Menlo Park, CA June - August 2013

- ◆ ON.LAB is a consortium of Stanford University and UC Berkeley. They develop tools for Software Defined Networking (SDN).
- ◆ Tested Open Networking Lab's network emulator, Mininet and its Network Operating System, ONOS. Frequently worked with VirtualBox and Linux OS.

President & Community Service Liaison at CSF – Cupertino High School, Cupertino, CA 2012 – 2014

- ◆ California Scholarship Federation (CSF) is an honor society and community service organization at Cupertino High School with over 200 student members.
- ◆ Coordinated and led several group volunteer events and programs. Contributed 400 community service hours through CSF.
